Dear Valued Member,

As we enter the end of summer heat and the back-to-school season, I want to take a moment to reflect on the importance of education and how it has shaped our Credit Union. 10 teachers founded our Credit Union 70 years ago and we continue to focus on educators and our mission of supporting them, our communities, and offering financial literacy.

At Envision, our mission goes beyond offering financial services—we strive to be a partner in your journey. We are pleased to share some exciting updates that reflect our ongoing commitment to you and our community:

Competitive Rates: To help you manage your finances more effectively, we offer some of the most competitive rates on savings accounts, auto loans and personal loans. These low rates are designed to provide you with greater financial flexibility, whether you're managing everyday expenses or planning for future goals.

Financial Education Programs: Education extends beyond the classroom, and we believe in empowering our members with the tools they need to thrive financially. We offer various financial wellness programs, including budgeting workshops and one-on-one consultations, to help you make the most of your money and plan for a successful future. Feel free to visit our self-serve financial education platforms at www.EnvisionCU.com/moneywise

Community Givebacks: We are proud to invest in our community. This year, we are celebrating our 5th Annual Envision No Hunger campaign. This was another successful year of raising more than \$60,000 for Second Harvest of the Big Bend food pantries. We also celebrated our 70th anniversary by giving money to 70 members for back-to-school

shopping. From funding community projects to contributing to local schools, we are dedicated to making a positive impact where it's needed most.

Finally, I am happy to announce Envision Credit Union has again been named as a Best Place to Work 2024 by Florida Trends. This is a huge accomplishment and I'm proud to lead this organization while they find it a BEST place to work. Your membership is at the heart of everything we do, and we are honored to support you during this exciting time of year. If you have any questions or need assistance with our financial products or community programs, please feel free to contact us.

Thank you for being a valued member and WHERE YOU BANK MATTERS.

Sincerely,

Darryl Worrell, President & CEO

OUR COMMUNITY OUR COMMITMENT

Our Envision Credit Union Community Development crew teamed up with our friends at Second Harvest of The Big Bend in July 2024. They spent the day filling boxes with quality fresh foods to be distributed throughout big bend communities. These food boxes will help supply emergency food pantries, soup kitchens, homeless shelters, children's homes, homes for the mentally disabled, and domestic violence shelters.
