January 2022

Dear <Member>

Welcome! We're pleased to announce that following a member majority vote, Flowers Foods Employees Credit League has officially merged with Envision Credit Union. Flowers Foods Employees Credit League will be renamed as Flowers Employees Financial Services. Like Flowers EFS, the Envision family is deeply committed to serving our members, and we are excited to embark on this new journey together. You'll continue to receive exceptional member service from your wonderful Flowers EFS staff, and the merger will bring expanded products and services as well as access to regional and nationwide shared branching locations. Together we'll be a stronger, more efficient financial institution.

Changes Coming February 1, 2022 (Conversion Day):

A significant part of any merger is to combine systems so that we can serve all members from one unified system. Your current operating system will be unavailable 3 days prior to the conversion on February 1st.

Part of the process of combining systems is to make sure we do not have any overlapping membership numbers. In an effort to make sure that your account is not affected once the two systems merge, you have been assigned a new membership number.

Your new membership number is <new member number>

The current Flowers Employees Financial Services branch location will remain open as a support office, and Thomasville residents can visit our branch right around the corner at 112 S Hansell Street for member services. For all other members, visit EnvisionCU.com/SharedBranching to see CO-OP shared branches near you.

Important Next Steps:

- For your convenience, above we have put together some quick reference information including your new member number so you can easily cut it out and place it in your wallet.
- After February 1, 2022, you can sign into our online banking system (eBranch) using your new member number and the last 4 digits of your social security number.
- Once conversion is complete, enjoy access to digital banking, loan options, and a variety of new products such as checking accounts.

Please visit our website at www.FlowersEFS.com for more information and updates, or give us a call at **229-228-6860** or toll-free at **1-800-659-6877**

Sincerely,

A handwritten signature in black ink, appearing to read "Darryl G. Worrell".

Darryl G. Worrell
President/CEO
Envision Credit Union

Effective February 1, 2022
